Each essay should be approximately 250 word and submitted with this application. Please do not include personal identifying information on your essay pages.**

- A. Propose a title and description for a new honors seminar. Why would you want to take this course?  
[Note: duplicating an existing HONR seminar course or suggesting an 'Honors version' of an existing course is not a successful reply. Applicants are encouraged to review current HONR seminar courses at <https://honors.nova.edu/honors/courses.html> ]
- B. 'A Game of Thrones' author George R. R. Martin notes "Why is it that when one man builds a wall, the next man immediately needs to know what's on the other side?" What will you find on the other side of your wall (and where is that wall)?

**Applications are reviewed on a continuing basis. Applications should be received no later than June 15, 2019 for the Fall 2019 semester. You will receive a letter at the address provided with notification of a decision regarding your standing in the Honors College.**
